MINISTRY OF FINANCIAL INSTITUTIONS

OFFICE OF THE SUPERINTENDENT OF INSURANCE

TO THE HONOURABLE ROBERT NIXON,

Minister of Financial Institutions

I have the honour to submit herewith the One-hundred and seventh Annual Report of the Superintendent of Insurance showing business for the year ended December 31, 1985.

The Report is arranged in five divisions, in addition to an index of all insurers licensed to carry on business in Ontario and classes of insurance for which they are authorized.

Division I, entitled "Annual Statement Abstracts", contains tabulated summaries showing the financial condition of all licensed insurers except those registered under the Canadian and British Insurance Companies Act, 1970, or the Foreign Insurance Companies Act, 1970 (Government of Canada Insurance Acts).

The figures shown are, generally, those reported by companies. Some changes were made as a result of examinations carried out.

Division II, entitled "Non-Profit Hospital and Medical Services Associations", contains tables showing in summary form the assets, liabilities, income and expenditure, together with the number of subscribers and persons covered for all associations registered under the Prepaid Hospital and Medical Services Act.

Division III, entitled "Investment Contract Companies", contains extracts from financial statements filed by the one company licensed under the Investment Contracts Act.

Division IV, entitled "Statistical Tables", shows in tabular form the premiums and losses and underwriting experience in Ontario of all insurers licensed in the Province with the exception of mutual benefit societies and pension fund associations. Information concerning the total Canadian business of these insurers is also shown in these tables.

Because the statistical tables show business written and losses incurred on a direct basis, there are also tables showing the business of those insurers licensed to write only contracts of reinsurance. These tables show business written and losses incurred on an assumed, ceded and net basis.

Division V, entitled "Appendices", shows other miscellaneous information.

Agents, Brokers and Adjusters

During 1985, the following licences were issued:

Life insurance agents	19,083
Non-life insurance agents	3,620
Adjusters	1,245

	23,948

Included in the total of life insurance agents licensed are 1,173 dual licensed agents. These are agents who are also registered under the Ontario Securities Act to act as salesmen for mutual funds.

INVESTMENT CONTRACT COMPANY SALES REPRESENTATIVES

There were 514 sales representatives registered in 1985.

PREPAID MEDICAL ASSOCIATIONS

Four Associations are now registered under the Prepaid Hospital and Medical Services Act.

LEGISLATION

In 1985, amendments were made to the Insurance Act and several regulations administered by the Ministry through the Superintendent of Insurance. The amendments are as follows:

(1) Section 307 of the Insurance Act was amended by the Mobility Rights Statute Law Amendment Act, 1985 to conform to Section 6 of the Canadian Charter of Rights and Freedoms. The amendment removed the requirement that a fraternal society must have a secretary and treasurer who are bona fide residents in Ontario in order to be entitled to be licensed.

(2) Ontario Regulation 532 made under the Insurance Act was amended by Ontario Regulations 232/85. Regulation 532 authorizes the life insurance companies listed in the schedule to the regulation to use a specified higher interest rate rather than that set out in the Act when computing the reserves for certain unmatured obligations guaranteed under terms of policies dependent on life contingencies only. The amendment authorizes the Gerling Global Life Insurance Company to use a specified higher interest rate for three classes of its policies.

(3) Ontario Regulation 444 made under the Guarantee Companies Securities Act was amended by Ontario Regulations 93/85, 230/85, 404/85 and 536/85. Ontario Regulation 444 sets out in the schedule to the regulation, the list of incorporated companies that are approved as guarantee companies under the Act. The first three regulations made amendments to the schedule while Ontario Regulation 536/86 revoked the entire schedule and replaced it with an up-to-date schedule.

GUIDELINES

Over the years the Superintendent has issued guidelines respecting the conduct of the business of insurance in Ontario. The purpose of these guidelines is to give some direction or instruction to insurers mainly with respect to new developments in the insurance industry. In many cases, guidelines, as experience indicates and as matters develop, become regulations or part of the statutes. These guidelines are as follows:

(1) A guideline with respect to the marketing of automobile policies and synthetic fleets issued August 1, 1969. It arose out of the efforts of some automobile insurers to market automobile insurance on a mass merchandising basis.

(2) A guideline issued February 22, 1972, to all insurers transacting automobile insurance in Ontario in connection with the limitation on bringing action. This guideline arose out of investigations conducted by my office based on complaints by members of the public not represented by legal counsel having their claims against insurers proscribed by reason of the expiration of a one-year limitation period for bringing action under the Insurance Act.

(3) A guideline issued April 24, 1972, arising from a decision of the Supreme Court of Ontario in the case of Hill vs. Lumbermens Mutual Insurance Company. This guideline deals with the situation where a member of the insuring public was denied coverage under the comprehensive personal liability part of the fire insurance policy. It deals with the case where listed property was not shown on the contract and suggests a method of proceeding whereby a standard of care will be taken by insurers and agents to ensure that all such properties are, in fact, covered.

(4) A guideline issued November 21, 1972, to all insurers transacting automobile insurance in Ontario in connection with the mandatory automobile accident benefit coverage provided under Schedule E (now Schedule C) to the Insurance Act. This guideline arose out of several instances reported of insurers failing to provide their insureds or policy claimants, with information necessary in order to make proper claims for benefits.

(5) A guideline issued January 22, 1973, to all proprietor insurance adjusters resulting from disciplinary action taken against two proprietors of an adjusting firm for their conduct in connection with the

settlement of a claim to the extent that one proprietor's licence was suspended and the other reprimanded and his licence continued only on a conditional basis. This guideline summarized the effects of the finding of an Advisory Board to the Superintendent of Insurance with respect to the duties and role of adjusters and re-affirmed the principles and ethics applicable to the licensing of adjusters in Ontario.

(6) A guideline issued May 15, 1973, respecting the mass advertising of life, accident and sickness insurance following its adoption, as amended, at the April, 1973 Conference of the Superintendents of all provinces and territories of Canada. As thus amended, it replaced the original guideline on the subject issued on February 28, 1972, and was published in the annual report of the Superintendent of Insurance for the year 1972. The guideline was further amended in 1976 to clarify and update the requirements with respect to the filing of mass-advertising material with the Superintendent of each of the several provinces. This guideline is based upon an interpretation of section 393 of the Insurance Act (Ontario) dealing with unfair and deceptive acts or practices in the business of insurance. Its basic purpose is to assure truthful and adequate disclosure in all advertisements and related literature used in the mass solicitation of life, accident and sickness insurance by the establishment of and adherence to certain minimum standards of conduct in such mass advertising.

(7) A guideline issued May 25, 1973, to all insurers transacting automobile insurance in Canada dealing with removal of the statutory condition in the standard automobile policies with respect to driving under the influence of intoxicating liquor or drugs as a result of legislation recommended in this regard for enactment in all the common law provinces of Canada, subject to proclamation.

(8) Arising from the subsequent proclamation naming September 1, 1973, as the effective date of the legislation referred to in item (7) above, a supplementary guideline was issued July 16, 1973, drawing the attention of automobile insurers to this amendment deleting part of the automobile statutory condition dealing with driving an automobile while under the influences of intoxicating liquor or drugs and consequent amendment to the automobile policy form effective September 1, 1973.

9) A guideline issued August 28, 1973, to all fraternal societies licensed in Ontario drawing attention to the effect of the passing into law of the Corporations Tax Amendment Act 1972, which requires all such societies to pay premium tax with respect to contracts entered into by them after January 1, 1974.

(10) A guideline issued February 24, 1975, to all insurers transacting automobile insurance in Ontario regarding actions taken by insurers in the name of the insured with respect to a subrogated interest. This guideline stressed the importance of the insurer checking with each concerned insured as to his/her interests in the matter so that insureds may not be denied the right of recovery with respect to their personal interests.

(11) A guideline issued effective January 1, 1976, governing group accident insurance and group sickness insurance, as adopted by the Superintendents of Insurance for the several provinces and territories of Canada. This guideline generally sets out the conditions under which a contract of group insurance may be issued. It also prohibits the issuance of such a group contract unless the benefits are payable according to a schedule that is non-discriminatory as between members or members of the same class, and governs other matters relating to insurance eligibility as well as concerning the payment of compensation by the insurer to the policyholder or an agent or employee thereof under a group contract.

(12) A guideline issued effective July 1, 1976, governing disclosure relative to accident insurance and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. Among other requirements, this guideline calls for the inclusion in each application or policy and every advertisement and piece of sales literature that illustrates the cost of insurance for a specific type of policy, an information statement indicating a certain percentage of the premiums that will be required for claims, estimated by the actuary for the insurer on the basis of an assumption of morbidity, mortality, lapse and interest that the insurer uses in

establishing the premiums to be charged for the policy.

(13) A guideline issued October 7, 1976, to all insurers and life insurers concerning the licensing of insurance agents. This guideline deals generally with the insurer's responsibilities with respect to renewal of licenses by their agencies and the acceptance of business by insurers from unlicensed agents.

(14) A guideline issued effective January 1, 1978, respecting the disclosure of benefits, limitations and exclusions in individual policies of accident and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. The basic purpose of this guideline is to encourage the issuance of clear and readable policies of accident insurance, sickness insurance or accident and sickness insurance to the end that purchasers may understand, as fully as possible, the coverage which is provided. Towards this end, the guideline requires a statement disclosing the principal benefits, conditions, exclusions or limitations of the policy to be prepared and delivered to the insured at the time of delivery of the policy, containing prescribed information to be given under a prominent caption. The guideline applies to all such policies with certain exceptions including non-renewable insurance issued for a period of six months or less that is issued in relation to a ticket or travel.

(15) A guideline issued March 25, 1980, to all insurers transacting legal expense in Ontario arising from the introduction of this new class of insurance in the Province. This guideline indicates that with respect to the underwriting of the new class of legal expense insurance in Ontario, insurers concerned shall observe certain conditions and limitations, namely: (a) all contracts of legal expense insurance shall provide the insured with complete freedom to select the lawyer of his own choosing, (b) no such contracts shall provide coverage with respect to the payment of fines and penalties imposed under any legislation, (c) all contracts of legal expense insurance shall stipulate that where the insured is also entitled to benefits covered under the Ontario Legal Aid Plan or other publicly financed program, benefits under the private insurer's plan will be treated as primary to the benefits payable under any other such programs. In accordance with the Cabinet minutes approving the regulation to create this new class of legal expense insurance under the Insurance Act, this guideline was developed in consultation between our Ministry and the Ministry of the Attorney General.

(16) A guideline issued May 28, 1980, to all insurers transacting automobile insurance in Ontario, restating the proper method for the writing and rating of insurance policies issued in respect of automobiles which are leased rather than owned, in accordance with applicable provisions of the Insurance Act.

(17) A guideline issued May 29, 1980, to all insurers transacting automobile insurance in Ontario, drawing attention to the discontinuance in Ontario of the 04 statistical classification for unmarried male principal operators aged 25 to 29, with effect from July 1, 1980. The reasons for the abolition of the special class were (a) no corresponding special classes existed for married males or for unmarried females in the same age group, causing doubts as to the validity of surcharges based on statistics for this group; (b) it having appeared that the use of the special category resulted in older unmarried males being pooled with females and married males aged 25 to 29, and (c) the elimination of a special category produced a clearer structure in the statistical plan: all drivers over age 24 are classified by vehicle use and claims record and not by age, sex or marital status. Insurers were therefore requested to adjust their rate table to reflect the statistical change in orderly fashion, with a target date of year-end 1980 for implementing changes.

(18) A guideline issued November 5, 1980, to all insurers transacting automobile insurance in Ontario with respect to side-agreements entered into between the insurer and the insured which were designated as "endorsements" to the policy. This guideline drew attention to Section 222 of the Insurance Act which provides specifically for side-agreements with respect to partial payment by insurers of third party claims. However, the guideline stressed that such agreements cannot and should not be designated as endorsements.

(19) A guideline issued effective July 1, 1981, governing credit card group accident and sickness

insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. This guideline applies to group insurance contracts providing accident and/or sickness benefits to the named holders of a credit card and their families from a specific credit card issuer; however, it does not apply to group insurance contracts providing benefits for loss of income because of disability due to sickness. The guideline makes the insurer issuing a credit card group insurance policy responsible for all printed material regarding the insurance provided to every group person insured and sets out the particulars to be contained in a certificate or other document issued for delivery to each group person insured as well as the procedure to be followed in making a claim. In addition, an anticipated loss ratio must be disclosed in accordance with item (12) noted above, being the guideline for disclosure relative to accident and sickness insurance, and requires all solicitation of credit card group insurance in the form of advertisements, brochures and related literature to observe the terms of item (6) noted above being the guideline respecting the mass advertising of life, accident and sickness insurance.

(20) A guideline issued August 10, 1981, to all insurers transacting general insurance in the provinces of Canada concerning the mass marketing of personal lines (property and automobile) insurance as developed by an industry/provincial governments committee in respect of both existing and new business. The purpose of this guideline was to (a) ensure truthful and adequate disclosure in all literature used in the mass marketing of such insurance; (b) establish certain minimum standards of conduct in the solicitation of business to avoid unfair competition and practices among insurers; and (c) set out and ensure that no industry rating bureau and no insurer shall fix or make a rate or schedule of rates or charge at a rate for insurance (falling within the scope of the guideline) to a qualifying group that would result in a lower cost to an individual in such group than such individual would have to pay if insured individually, nor shall any insurer engage in any unfair or deceptive acts or practices. This guideline has full force and effect in all Canadian jurisdictions, except Quebec, with a few variances only in the case of Alberta and Saskatchewan.

(21) A guideline issued October 19, 1981, to all insurers transacting automobile insurance in Ontario concerning the processing of new or renewal policies for elderly drivers. This guideline, resulting from an earlier investigation by my office, was prepared and based on the evidence of various discriminatory practices in effect which could be considered to be unfair. It sets out certain practices in this regard which are considered to be unfair and prohibited, including, solely by reason of age, any refusal by an insurer to accept in the normal way of a new business application for an elderly driver, any imposition on him/her or a higher premium or requirement for medical examinations or eye tests. The guideline also indicated that any instance or failure to comply may be considered grounds for convening a hearing to determine whether an order will be made against the insurer concerned prohibiting the practice.

(22) A guideline issued effective January 1, 1982, respecting disclosure on group and creditors group accident and sickness insurance, as adopted by the Superintendent of Insurance of the several provinces and territories of Canada. This guideline applies to group insurance contracts and creditors' group insurance contracts providing accident and/or sickness benefits, except blanket insurance, a contract of group insurance of a non-renewable type issued for a term of six months or less or a credit card group insurance contract. In the applicable cases, its requirements include an obligation on the insurer to issue for delivery by the insured to each group person insured a certificate or other document in which are set forth prescribed particulars relating to the contract with sufficient identification of the same and the procedure to be followed in making a claim.

(23) A guideline issued also effective January 1, 1982, respecting travel accident and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. The purpose of this guideline is to ensure that purchasers of travel accident and sickness insurance will have access to full information on the travel insurance being made available and that a policy, certificate or other document providing full particulars of the benefits, limitations and exclusions will confirm the coverage purchased. It also requires all solicitation of travel accident and sickness insurance in the form of advertisements, brochures and related literature to observe the terms of item (6) noted above, being the guideline respecting the mass advertising of life, accident and sickness insurance.

(24) A guideline governing group life insurance has been in effect for some years, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada and amended from time to time as required. In setting out the requirements and conditions for the issuance of a group life insurance contract and otherwise, this guideline corresponds to item (11) noted above, being the guideline governing group accident and sickness insurance.

(25) A guideline respecting the adjustment of losses by salaried employees of licensed insurers in regard to every contract other that (i) a contract of life insurance, (ii) a contract of accident and/or sickness insurance, and (iii) a contract of marine insurance has been in place for some years, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. This guideline governs the training of staff adjusters of licensed insurers to ensure qualification to handle in a professional and competent manner those losses which they are authorized to adjust and that, pending completion of such training, the adjustment of losses by trainee adjusters will be supervised by a person trained and qualified to handle the class and level of losses under adjustment. This guideline also expects the cooperation of licensed insurers in maintaining standing instructions to govern the conduct and procedures to be followed by their staff adjusters and telephone adjusters including, where applicable, appraisers with such standing instructions to be brought to the attention of all such staff, including trainees, and a record of formal acknowledgment by them to be maintained. It also points to varying government requirements and regulations relating to unfair and deceptive acts and practices in the business of insurance, some of which apply specifically to adjusters.

(26) A guideline for automobile damage appraisers has been in place for some years, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. This guideline sets out the standards of conduct to be observed by a damage appraiser in appraising damage as well as the qualifications and competency expected of a damage appraiser by demonstrating sound judgement and an ability to prepare accurate appraisals and to have practical knowledge of all relevant technical matters.

(27) A consolidated and revised guideline was issued in September 1984, on creditor's group life and creditor's group accident and sickness insurance. This guideline supersedes and replaces four previous guidelines issued on creditors group insurance namely, on June 1968, November 1973, April 1974 and May 1976. This guideline embodies all salient and important features of four previous guidelines, namely, a slightly revised loss-ratio requirement, responsibility of creditor and an insurer, limitations on the amount of insurance that can be provided under a creditor's group insurance, and limitation of expense reimbursement that is allowed under the guideline. It now expands disclosure requirements to provide all insured debtors with adequate information on the insurance program. This guideline is in effect in all common law provinces.

(28) A guideline issued on June 17, 1985, requiring that new applications for insurance agents licenses be accompanied by two photographs of the applicant and that with respect to existing licenses, a photograph of the licensee accompany each request for a transfer of licence, unless the licensee within the three previous years has already submitted one.

(29) On August 29, 1985, a letter was sent to all automobile clubs, leagues and associations rescinding the guidelines of July 20, 1967, which had been issued to such clubs which were engaged in the sale of insurance benefits, primarily group accident and sickness benefits, to their members.

(30) A guideline issued on November 7, 1985, rescinding that part of a September 16, 1982, circular issued to life insurers in Ontario, which stated that it was no longer necessary to file consent letters with the Office of the Superintendent of Insurance. It re-affirmed that consent letters as required by Section 346(13) were required to be filed and that blanket consent letters were not acceptable where a life agent wishes to negotiate insurance on behalf of an applicant with an insurer for which he is not an authorized agent.

Further information concerning the above noted Guidelines is available on request from the Office of the Superintendent of Insurance, 10 Wellesley Street East, 2nd Floor, Toronto, Ontario, M7A 2J3

MINISTRY OF FINANCIAL INSTITUTIONS

OFFICE OF THE SUPERINTENDENT OF INSURANCE

TO THE HONOURABLE ROBERT NIXON,
Minister of Financial Institutions

I have the honour to submit herewith the One-hundred and eighth Annual Report of the Superintendent of Insurance showing business for the year ended December 31, 1986.

The Report is arranged in five divisions, in addition to an index of all insurers licensed to carry on business in Ontario and classes of insurance for which they are authorized.

Division I, entitled "Annual Statement Abstracts", contains tabulated summaries showing the financial condition of all licensed insurers except those registered under the Canadian and British Insurance Companies Act, 1970, or the Foreign Insurance Companies Act, 1970 (Government of Canada Insurance Acts).

The figures shown are, generally, those reported by companies. Some changes were made as a result of examinations carried out.

Division II, entitled "Non-Profit Hospital and Medical Services Associations", contains tables showing in summary form the assets, liabilities, income and expenditure, together with the number of subscribers and persons covered for all associations registered under the Prepaid Hospital and Medical Services Act.

Division III, entitled "Investment Contract Companies", contains extracts from financial statements filed by the one company licensed under the Investment Contracts Act.

Division IV, entitled "Statistical Tables", shows in tabular form the premiums and losses and underwriting experience in Ontario of all insurers licensed in the Province with the exception of mutual benefit societies and pension fund associations. Information concerning the total Canadian business of these insurers is also shown in these tables.

Because the statistical tables show business written and losses incurred on a direct basis, there are also tables showing the business of those insurers licensed to write only contracts of reinsurance. These tables show business written and losses incurred on an assumed, ceded and net basis.

Division V, entitled "Appendices", shows other miscellaneous information.

LIFE INSURANCE IN ONTARIO

Agents, Brokers and Adjusters

During 1986, the following licences were issued:

Life insurance agents	19,600
Non-life insurance agents	2,913
Adjusters	1,342

	23,855

Included in the total of life insurance agents licensed are 1,189 dual licensed agents. These are agents who are also registered under the Ontario Securities Act to act as salesmen for mutual funds.

INVESTMENT CONTRACT COMPANY SALES REPRESENTATIVES

There were 629 sales representatives registered in 1986.

PREPAID MEDICAL ASSOCIATIONS

Four Associations are now registered under the Prepaid Hospital and Medical Services Act.

LEGISLATION

During 1986, two new statutes were enacted and an amendment made to the Insurance Act. The year also saw the passage of certain regulations under related Acts administered by the Ministry through the Superintendent of Insurance.

NEW STATUTES

(1) The Insurance Amendment Act, 1986 provides the legislative framework for Ontario's participation in a national compensation plan for the general insurance industry. The plan, when instituted, will be financed by the general insurance companies for the benefit of policyholders and claimants of insolvent insurers.

(2) The Canadian Insurance Exchange Act, 1986, enables the operation of an insurance exchange, similar to Lloyds of London, for the placing of insurance and reinsurance risks.

REGULATIONS

(1) Ontario Regulation 8/86, made under the Insurance Act, governs the replacement of life insurance contracts and prescribes the respective duties of agents and insurers with respect to proper disclosure to applicants and other matters concerning such transactions.

(2) Ontario Regulation 534, made under the Insurance Act, was amended by Ontario Regulation 142/86. Ontario Regulation 142/86 prescribes the fees which are payable for licenses, licence renewals, and in respect to those functions performed by the Superintendent under the Act.

(3) Ontario Regulation 538, made under the Investment Contracts Act, was amended by Ontario Regulation 143/86. Ontario Regulation 143/86 prescribes the fees which are payable for registration and renewal of an issuer and of a sales representative.

GUIDELINES

Over the years the Superintendent has issued guidelines respecting the conduct of the business of insurance in Ontario. The purpose of these guidelines is to give some direction or instruction to insurers mainly with respect to new developments in the insurance industry. In many cases, guidelines, as experience indicates and as matters develop, become regulations or part of the statutes. These guidelines are as follows:

(1) A guideline with respect to the marketing of automobile policies and synthetic fleets issued August 1, 1969. It arose out of the efforts of some automobile insurers to market automobile insurance on a mass merchandising basis.

(2) A guideline issued February 22, 1972, to all insurers transacting automobile insurance in Ontario in connection with the limitation on bringing action. This guideline arose out of investigations conducted by my office based on complaints by members of the public not represented by legal counsel having their claims against insurers proscribed by reason of the expiration of a one-year limitation period for bringing action under the Insurance Act.

(3) A guideline issued April 24, 1972, arising from a decision of the Supreme Court of Ontario in the case of Hill vs. Lumbermens Mutual Insurance Company. This guideline deals with the situation where a member of the insuring public was denied coverage under the comprehensive personal liability part of the fire insurance policy. It deals with the case where listed property was not shown on the contract and suggests a method of proceeding whereby a standard of care will be taken by insurers and agents to ensure that all such properties are, in fact, covered.

(4) A guideline issued November 21, 1972, to all insurers transacting automobile insurance in

Ontario in connection with the mandatory automobile accident benefit coverage provided under Schedule E (now Schedule C) to the Insurance Act. This guideline arose out of several instances reported of insurers failing to provide their insureds or policy claimants, with information necessary in order to make proper claims for benefits.

(5) A guideline issued January 22, 1973, to all proprietor insurance adjusters resulting from disciplinary action taken against two proprietors of an adjusting firm for their conduct in connection with the settlement of a claim to the extent that one proprietor's licence was suspended and the other reprimanded and his licence continued only on a conditional basis. This guideline summarized the effects of the finding of an Advisory Board to the Superintendent of Insurance with respect to the duties and role of adjusters and re-affirmed the principles and ethics applicable to the licensing of adjusters in Ontario.

(6) A guideline issued May 15, 1973, respecting the mass advertising of life, accident and sickness insurance following its adoption, as amended, at the April, 1973 Conference of the Superintendents of all provinces and territories of Canada. As thus amended, it replaced the original guideline on the subject issued on February 28, 1972, and was published in the annual report of the Superintendent of Insurance for the year 1972. The guideline was further amended in 1976 to clarify and update the requirements with respect to the filing of mass-advertising material with the Superintendent of each of the several provinces. This guideline is based upon an interpretation of section 393 of the Insurance Act (Ontario) dealing with unfair and deceptive acts or practices in the business of insurance. Its basic purpose is to assure truthful and adequate disclosure in all advertisements and related literature used in the mass solicitation of life, accident and sickness insurance by the establishment of and adherence to certain minimum standards of conduct in such mass advertising.

(7) A guideline issued May 25, 1973, to all insurers transacting automobile insurance in Canada dealing with removal of the statutory condition in the standard automobile policies with respect to driving under the influence of intoxicating liquor or drugs as a result of legislation recommended in this regard for enactment in all the common law provinces of Canada, subject to proclamation.

(8) Arising from the subsequent proclamation naming September 1, 1973, as the effective date of the legislation referred to in item (7) above, a supplementary guideline was issued July 16, 1973, drawing the attention of automobile insurers to this amendment deleting part of the automobile statutory condition dealing with driving an automobile while under the influences of intoxicating liquor or drugs and consequent amendment to the automobile policy form effective September 1, 1973.

9) A guideline issued August 28, 1973, to all fraternal societies licensed in Ontario drawing attention to the effect of the passing into law of the Corporations Tax Amendment Act 1972, which requires all such societies to pay premium tax with respect to contracts entered into by them after January 1, 1974.

(10) A guideline issued February 24, 1975, to all insurers transacting automobile insurance in Ontario regarding actions taken by insurers in the name of the insured with respect to a subrogated interest. This guideline stressed the importance of the insurer checking with each concerned insured as to his/her interests in the matter so that insureds may not be denied the right of recovery with respect to their personal interests.

(11) A guideline issued effective January 1, 1976, governing group accident insurance and group sickness insurance, as adopted by the Superintendents of Insurance for the several provinces and territories of Canada. This guideline generally sets out the conditions under which a contract of group insurance may be issued. It also prohibits the issuance of such a group contract unless the benefits are payable according to a schedule that is non-discriminatory as between members or members of the same class, and governs other matters relating to insurance eligibility as well as concerning the payment of compensation by the insurer to the policyholder or an agent or employee thereof under a group contract.

(12) A guideline issued effective July 1, 1976, governing disclosure relative to accident insurance and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. Among other requirements, this guideline calls for the inclusion in each application or policy and every advertisement and piece of sales literature that illustrates the cost of insurance for a specific type of policy, an information statement indicating a certain percentage of the premiums that will be required for claims, estimated by the actuary for the insurer on the basis of an assumption of morbidity, mortality, lapse and interest that the insurer uses in establishing the premiums to be charged for the policy.

(13) A guideline issued October 7, 1976, to all insurers and life insurers concerning the licensing of insurance agents. This guideline deals generally with the insurer's responsibilities with respect to renewal of licenses by their agencies and the acceptance of business by insurers from unlicensed agents.

(14) A guideline issued effective January 1, 1978, respecting the disclosure of benefits, limitations and exclusions in individual policies of accident and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. The basic purpose of this guideline is to encourage the issuance of clear and readable policies of accident insurance, sickness insurance or accident and sickness insurance to the end that purchasers may understand, as fully as possible, the coverage which is provided. Towards this end, the guideline requires a statement disclosing the principal benefits, conditions, exclusions or limitations of the policy to be prepared and delivered to the insured at the time of delivery of the policy, containing prescribed information to be given under a prominent caption. The guideline applies to all such policies with certain exceptions including non-renewable insurance issued for a period of six months or less that is issued in relation to a ticket or travel.

(15) A guideline issued March 25, 1980, to all insurers transacting legal expense in Ontario arising from the introduction of this new class of insurance in the Province. This guideline indicates that with respect to the underwriting of the new class of legal expense insurance in Ontario, insurers concerned shall observe certain conditions and limitations, namely: (a) all contracts of legal expense insurance shall provide the insured with complete freedom to select the lawyer of his own choosing, (b) no such contracts shall provide coverage with respect to the payment of fines and penalties imposed under any legislation, (c) all contracts of legal expense insurance shall stipulate that where the insured is also entitled to benefits covered under the Ontario Legal Aid Plan or other publicly financed program, benefits under the private insurer's plan will be treated as primary to the benefits payable under any other such programs. In accordance with the Cabinet minutes approving the regulation to create this new class of legal expense insurance under the Insurance Act, this guideline was developed in consultation between our Ministry and the Ministry of the Attorney General.

(16) A guideline issued May 28, 1980, to all insurers transacting automobile insurance in Ontario, restating the proper method for the writing and rating of insurance policies issued in respect of automobiles which are leased rather than owned, in accordance with applicable provisions of the Insurance Act.

(17) A guideline issued May 29, 1980, to all insurers transacting automobile insurance in Ontario, drawing attention to the discontinuance in Ontario of the 04 statistical classification for unmarried male principal operators aged 25 to 29, with effect from July 1, 1980. The reasons for the abolition of the special class were (a) no corresponding special classes existed for married males or for unmarried females in the same age group, causing doubts as to the validity of surcharges based on statistics for this group; (b) it having appeared that the use of the special category resulted in older unmarried males being pooled with females and married males aged 25 to 29, and (c) the elimination of a special category produced a clearer structure in the statistical plan: all drivers over age 24 are classified by vehicle use and claims record and not by age, sex or marital status. Insurers were therefore requested to adjust their rate table to reflect the statistical change in orderly fashion, with a target date of year-end 1980 for implementing changes.

(18) A guideline issued November 5, 1980, to all insurers transacting automobile insurance in

Ontario with respect to side-agreements entered into between the insurer and the insured which were designated as "endorsements" to the policy. This guideline drew attention to Section 222 of the Insurance Act which provides specifically for side-agreements with respect to partial payment by insurers of third party claims. However, the guideline stressed that such agreements cannot and should not be designated as endorsements.

(19) A guideline issued effective July 1, 1981, governing credit card group accident and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. This guideline applies to group insurance contracts providing accident and/or sickness benefits to the named holders of a credit card and their families from a specific credit card issuer; however, it does not apply to group insurance contracts providing benefits for loss of income because of disability due to sickness. The guideline makes the insurer issuing a credit card group insurance policy responsible for all printed material regarding the insurance provided to every group person insured and sets out the particulars to be contained in a certificate or other document issued for delivery to each group person insured as well as the procedure to be followed in making a claim. In addition, an anticipated loss ratio must be disclosed in accordance with item (12) noted above, being the guideline for disclosure relative to accident and sickness insurance, and requires all solicitation of credit card group insurance in the form of advertisements, brochures and related literature to observe the terms of item (6) noted above being the guideline respecting the mass advertising of life, accident and sickness insurance.

(20) A guideline issued August 10, 1981, to all insurers transacting general insurance in the provinces of Canada concerning the mass marketing of personal lines (property and automobile) insurance as developed by an industry/provincial governments committee in respect of both existing and new business. The purpose of this guideline was to (a) ensure truthful and adequate disclosure in all literature used in the mass marketing of such insurance; (b) establish certain minimum standards of conduct in the solicitation of business to avoid unfair competition and practices among insurers; and (c) set out and ensure that no industry rating bureau and no insurer shall fix or make a rate or schedule of rates or charge at a rate for insurance (falling within the scope of the guideline) to a qualifying group that would result in a lower cost to an individual in such group than such individual would have to pay if insured individually, nor shall any insurer engage in any unfair or deceptive acts or practices. This guideline has full force and effect in all Canadian jurisdictions, except Quebec, with a few variances only in the case of Alberta and Saskatchewan.

(21) A guideline issued October 19, 1981, to all insurers transacting automobile insurance in Ontario concerning the processing of new or renewal policies for elderly drivers. This guideline, resulting from an earlier investigation by my office, was prepared and based on the evidence of various discriminatory practices in effect which could be considered to be unfair. It sets out certain practices in this regard which are considered to be unfair and prohibited, including, solely by reason of age, any refusal by an insurer to accept in the normal way of a new business application for an elderly driver, any imposition on him/her or a higher premium or requirement for medical examinations or eye tests. The guideline also indicated that any instance or failure to comply may be considered grounds for convening a hearing to determine whether an order will be made against the insurer concerned prohibiting the practice.

(22) A guideline issued effective January 1, 1982, respecting disclosure on group and creditors group accident and sickness insurance, as adopted by the Superintendent of Insurance of the several provinces and territories of Canada. This guideline applies to group insurance contracts and creditors' group insurance contracts providing accident and/or sickness benefits, except blanket insurance, a contract of group insurance of a non-renewable type issued for a term of six months or less or a credit card group insurance contract. In the applicable cases, its requirements include an obligation on the insurer to issue for delivery by the insured to each group person insured a certificate or other document in which are set forth prescribed particulars relating to the contract with sufficient identification of the same and the procedure to be followed in making a claim.

(23) A guideline issued also effective January 1, 1982, respecting travel accident and sickness insurance, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. The purpose of this guideline is to ensure that purchasers of travel accident and sickness insurance will have access to full information on the travel insurance being made available and that a policy, certificate or other document providing full particulars of the benefits, limitations and exclusions will confirm the coverage purchased. It also requires all solicitation of travel accident and sickness insurance in the form of advertisements, brochures and related literature to observe the terms of item (6) noted above, being the guideline respecting the mass advertising of life, accident and sickness insurance.

(24) A guideline governing group life insurance has been in effect for some years, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada and amended from time to time as required. In setting out the requirements and conditions for the issuance of a group life insurance contract and otherwise, this guideline corresponds to item (11) noted above, being the guideline governing group accident and sickness insurance.

(25) A guideline respecting the adjustment of losses by salaried employees of licensed insurers in regard to every contract other that (i) a contract of life insurance, (ii) a contract of accident and/or sickness insurance, and (iii) a contract of marine insurance has been in place for some years, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. This guideline governs the training of staff adjusters of licensed insurers to ensure qualification to handle in a professional and competent manner those losses which they are authorized to adjust and that, pending completion of such training, the adjustment of losses by trainee adjusters will be supervised by a person trained and qualified to handle the class and level of losses under adjustment. This guideline also expects the cooperation of licensed insurers in maintaining standing instructions to govern the conduct and procedures to be followed by their staff adjusters and telephone adjusters including, where applicable, appraisers with such standing instructions to be brought to the attention of all such staff, including trainees, and a record of formal acknowledgment by them to be maintained. It also points to varying government requirements and regulations relating to unfair and deceptive acts and practices in the business of insurance, some of which apply specifically to adjusters.

(26) A guideline for automobile damage appraisers has been in place for some years, as adopted by the Superintendents of Insurance of the several provinces and territories of Canada. This guideline sets out the standards of conduct to be observed by a damage appraiser in appraising damage as well as the qualifications and competency expected of a damage appraiser by demonstrating sound judgement and an ability to prepare accurate appraisals and to have practical knowledge of all relevant technical matters.

(27) A consolidated and revised guideline was issued in September 1984, on creditor's group life and creditor's group accident and sickness insurance. This guideline supersedes and replaces four previous guidelines issued on creditors group insurance namely, on June 1968, November 1973, April 1974 and May 1976. This guideline embodies all salient and important features of four previous guidelines, namely, a slightly revised loss-ratio requirement, responsibility of creditor and an insurer, limitations on the amount of insurance that can be provided under a creditor's group insurance, and limitation of expense reimbursement that is allowed under the guideline. It now expands disclosure requirements to provide all insured debtors with adequate information on the insurance program. This guideline is in effect in all common law provinces.

(28) A guideline issued on June 17, 1985, requiring that new applications for insurance agents licenses be accompanied by two photographs of the applicant and that with respect to existing licenses, a photograph of the licensee accompany each request for a transfer of licence, unless the licensee within the three previous years has already submitted one.

(29) On August 29, 1985, a letter was sent to all automobile clubs, leagues and associations rescinding the guidelines of July 20, 1967, which had been issued to such clubs which were

engaged in the sale of insurance benefits, primarily group accident and sickness benefits, to their members.

(30) A guideline issued on November 7, 1985, rescinding that part of a September 16, 1982, circular issued to life insurers in Ontario, which stated that it was no longer necessary to file consent letters with the Office of the Superintendent of Insurance. It re-affirmed that consent letters as required by Section 346(13) were required to be filed and that blanket consent letters were not acceptable where a life agent wishes to negotiate insurance on behalf of an applicant with an insurer for which he is not an authorized agent.

Further information concerning the above noted Guidelines is available on request from the Office of the Superintendent of Insurance, 10 Wellesley Street East, 2nd Floor, Toronto, Ontario, M7A 2J3
